

## DIRECTIONS to VILLA KADYANDA in UZUMLU

### DALAMAN AIRPORT TO VILLA KADYANDA (Lat:36.7515 Lon:29.2375)

Leave Dalaman Airport, drive down a dual carriageway past Dalaman town to reach the D400 dual carriageway, then turn right and head to Antalya and Fethiye on the D400 for about 35 minutes (*after 15 minutes you go through a toll tunnel costing 3.5TL*). When approaching Fethiye, after a Toyota Garage on your left, signs point right to Fethiye - ignore these and carry on along the D400 towards Antalya. After about 3km you see signs for Denizli and Üzümlü and Historic Cadianda pointing to the left.

Turn left at this traffic light controlled roundabout and follow the road that climbs steeply through a forest for about 10km. The road levels out and becomes a dual carriageway and then 1.5km further on there is a right turn at a roundabout signed to Üzümlü village and Cadianda. Carry on past this turning along the dual carriageway for about 2km to a roundabout where the dual carriageway stops. Take the 2<sup>nd</sup> roundabout exit - right on to a dirt road (the 3<sup>rd</sup> exit is the continuing main road to Denizli). Follow this dirt road for 1.5km, you pass two small farm houses on your left and then see a wire fence on your left which you follow until it turns left. You now turn left and drop carefully down a short steep track to two villas, the right hand one painted yellow-ochre is Villa Kadyanda. Later you can leave the villa by either going down the track beside the villa or by taking the road around the adjoining two villas down to the main Denizli road and turn left towards Üzümlü. When returning this way look for the blue Villa Kadyanda sign at the junction with the main road.  
*Address: Villa Kadyanda, Sokak 626, No 22, Denizli Yol, Uzumlu, Fethiye 48300.*

### TURKEY HOLIDAY VILLA KADYANDA TO FETHIYE

Go back down the dual carriageway and the main steep road until you reach the roundabout junction with the D400, at these traffic lights cross over the D400 and follow this road for about 1.5km to traffic lights at a T-junction. Turn left and follow this straight road for about 5km (*after 3km you will have passed the KIPA -Tesco supermarket on your left*) to a traffic light controlled roundabout with a Shell garage, Carrefour Supermarket and the Otogar (*bus station*) in front of you. Turn right and follow this road to the centre of Fethiye, if you keep to the right where the road divides near the harbour you will find a pay (3-5 TL) Otopark on your right opposite the Garanti Bank. This is convenient for the shopping centre, old town, market area and the harbour front.

To return, exit left from the car park and then follow the one way system for 400m until it divides - keep to the right side of the divide and then go straight through a few traffic lights. At the Shell garage (Otogar) lights and roundabout turn left and after 5km you reach a Gempa Supermarket on your right (just after a school and POLIS station) turn right at these traffic lights and follow this road back up to the D400 and across for the Üzümlü road.

### TURKEY HOLIDAY VILLA TO OVACIK, HISARONU, OLU DENIZ

Follow the previous instructions for Fethiye to the roundabout and traffic lights at the Shell garage, Carrefour Supermarket and the Otogar. Carry on this road, up a steep winding hill, for about 2.5km and at the top of the hill you will see a Petrol Station on your left and this is the beginning of Ovacik. Continue for 2km to a roundabout - straight on is Hisaronu and left leads to Olu Deniz. If you wish to wander through the shops in Hisaronu there is a car park to the right of this roundabout. If you turn left towards Olu Deniz the road goes steeply downhill until you reach the town. Parking is limited but turn left at the 1<sup>st</sup> or 2<sup>nd</sup> road after the road has levelled out and you can normally find somewhere to park.
